Snapshot report

Under the agreement for 2015
Injune p-10 State School received $21 301

Our full 2015 agreement can be found here:

Our school strategies are on track to meet or exceed our targets

During 2015, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- provided focused and intensive teaching for students requiring additional support in reading to close the gap between the Chronological Age and Reading Age.
- provided professional development and mentoring to ensure teachers were able to provide targeted and scaffolded instruction in Mathematical concepts/skills to close the gap between the Scale Scores of 2014 and 2015 for underperforming targeted students.
- developed a whole school approach to teaching spelling using THRASS and spelling strategies to close the gap between Chronological Age and Spelling Age of targeted underperforming students.
- continued to enhance staff knowledge of on-entry Prep expectations and to assist in a smooth transition of children into Prep from Kindergarten.
- participated in online BOOSTER Project in Writing and Numeracy for targeted students to increase number of students in upper two bands in Writing and Numeracy.
