Principal's Notes

Welcome to Week 3 of Term 4.

THOUGHT FOR THE MOMENT:

"If we expect kids to be losers they will be losers; if we expect them to be winners they will be winners. They rise, or fall, to the level of the expectations of those around them, especially their parents and families." Jaime Escalante

DATE CLAIMERS - This section is to pre-warn you about upcoming events so that your children are prepared and ready to join in the events.

- **Monday 27 October - Grandparent Day** - 10.00-11.00am grandparents and seniors visit classrooms
- **Friday 31 October - COLOUR RUN** - white or light coloured t-shirt and shorts and a hat
- **Wednesday 5 November - CRAZY SOCK DAY** - wild and crazy socks.

STAFF CHANGES

Last week, we were notified that Mr Dewar has received a transfer to Gatton State School, commencing at the start of 2026. This is Matt's fourth year at Injune, and he will be greatly missed, as will Miss Emma in her role as a teacher aide. We wish the Dewar family all the very best for 2026 and beyond.

ATTENDANCE: Congratulations to our super Prep class for leading the way with great attendance. Overall, last week was not a great week for our attendance rate. We are looking forward to seeing higher attendance this week.

Every Day Counts!

1 st	96%	Prep

GRANDPARENTS and SENIORS DAY - Monday 27/10/25: 10.00-11.00am (full page flyer)

We invite all grandparents and seniors to visit our school and classrooms next Monday from 10:00 to 11:00 am. Come along to see our classrooms and learning in action, join in a craft activity with our littlest students, and have a photo taken with your family. Everyone is welcome!

A SPECIAL THANK YOU to:

- Lisa Coggan, Jane Walsh, Haylie Crabb, Loren Crabb, Amanda Slater, Alanah Ladbroke, Ladbroke's Butchery and Kristina Nayda for helping the SRC Team with the Wear Pink for Breast Cancer - Tuckshop.

WEEKLY POSITIVE BEHAVIOUR LEARNING (PBL FOCUS):

School Value: **RESILIENCE**

Focus: **Growth mindset.**

We are learning new concepts across all our subjects and these can often be hard to wrap our heads around, so it is important to be open to this new knowledge and skills.

Reading - decoding using structured synthetic phonics (PLD), fluency and comprehension
Writing - spelling using structured synthetic phonics (PLD), sentence and paragraph writing (Writer's Toolbox)
Engagement - students attention, interest and motivation to learn and develop in their education

Principal's Notes Continuation

- Our P & C Team for providing a warm and delicious breakfast for our whole school yesterday. The warm toasties, cold milo and fresh fruit were a hit! We love Breakfast Club!

OCTOBER IS SAFE WORK MONTH

October is National Safe Work month. This year's theme, **safety: every job, every day**, encourages all workplaces – regardless of occupation, industry, location, and size – to prioritise the safety of their employees every day.

SCHOOL SUPERVISOR VISIT

Yesterday, Mr Ashley Roediger, our School Supervisor, visited our school. He spent time in classrooms speaking with staff and students and was impressed by the students' engagement in their learning, as well as the teachers' positivity and enthusiasm for teaching. Two Senior Schooling support personnel accompanied Mr Roediger to share information about additional pathways available for students in Years 9, 10 and beyond.

LOCKDOWN PRACTICE

During second break eating time yesterday, we held a Lockdown Practice Drill. All students and staff moved quickly to their nearest rooms and locked themselves inside until the "Lockdown is over" message was received. It is important that we practise both Fire Evacuation and Lockdown Drills to ensure our students and staff are confident with the procedures.

Take care,

Williams

Duke of Edinburgh Camp

On the 13th of October, the Year 9/10 students completed the qualifying journey of their Duke of Edinburgh Bronze Award.

This requires students to complete a two-day hike across the Bunya Mountains. Students hiked 13.5km on the first day, from Burton's Well to Westcott camping area. They stopped at a range of impressive lookouts while making the long journey. On the second day, the students hiked 6.5km to Paradise Falls before making the trip home. Both Mrs. Williams and the students had a fantastic time on the journey, even with the 30+ ticks that joined them along the way! The students collectively agree that the best part about the camp was the incredible scenery and seeing some fireflies during the night. Students also had to carry and set-up their own tents and camping equipment, plus their own food for the entire journey. Everyone is looking forward to the opportunity to do it all again!

Save Time and Streamline with Menu Plans and Shopping Lists

WEEK 1 Menu Plan

- The recipes indicate how many servings are being used so that you can adjust the total amount of servings from the recipe. Eg. 20% means 2 portions out of 10 for that day. Which is 2 for each kid. Usually 4 needed.
- The shaded boxes represent the items that need making the week in terms of ingredients and preparation.
- Check what remaining items are needed for following weeks before handing out for after school snacks, and plan to increase the recipe accordingly when it is needed.
- Ingredients listed to make the recipes are not listed in the days. For any remaining amounts, you can be creative.
- Each recipe for the morning and the snacks can be split into 2 days each.
- 1 serving of Oats: 1/2 Cup.
- 1 serving of Eggs: 1 Egg, with Yolk.
- 1 serving of Mashed Potatoes: 1/2 Cup, or 1/2 Potato.
- For a Vegetarian week, you can modify recipes to suit your needs to replace the meat items.

- **5 Weeks of Menu Plans** – Take away the dread, and replace it with EASE thanks to these delicious weekly menu plans
- **Matching Weekly Shopping Lists** – Only buy what you need, and save time at the supermarket
- **Batch and Freeze Time Savers** – Make something once, but use it for weeks!
